

Vy™

At Truvy®, you're our very top priority, which is why we're always striving to better ourselves and our products. We're so excited to introduce you to our best version of Vy™. You'll find a combination of Vy™ and Vy Boost's™ best ingredients with some additional ingredients that we are sure you're going to love. We've listened to your feedback and heard your requests, so Dr. Tory Parker has designed a new, dynamic, well-rounded, even better version of Vy™.

Let's break it down

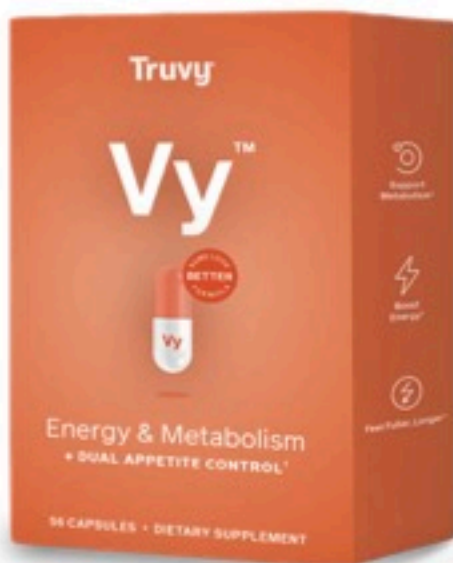

There are three main points we want you to focus on when it comes to our **best ever Vy™ formula**:

Advanced Thermogenesis: Let's turn up the heat! By taking the new and improved Vy™ capsule and utilizing thermogenesis, your body will support your metabolism to work at an optimal level, helping you burn off unwanted calories and fat when supported by a healthy diet and exercise.*

Energy: Finding the energy to get up and get moving is one of the hardest parts of any weight loss journey. Vy™ gives you that energy and motivates you to get up, get active, and use that extra energy for good.*

Satiety: Here's where the new stuff comes in: When you're hungry, reaching for high-calorie food or overeating is all too easy, and can also be a detriment to weight management goals – *major bummer*. However, with our Vy™, you can say "goodbye" to those cravings! Simply put, our new Dual Appetite Control ingredients help you suppress your appetite and control hunger.* With increased satiety, you'll eat fewer calories overall and supercharge your journey.*

VY™ HAS A VARIETY OF GREAT BENEFITS FROM BOOSTING ENERGY AND METABOLISM TO APPETITE CONTROL - LEAVING YOU FEELING FULLER, LONGER.
